As the new school year begins, FCCLA wants to invite the community to get involved in our exciting program. We realize many community members still recognize us as the Future Homemakers of America, so we want to introduce you to the “new us.” We are now called the Family, Career, and Community Leaders of America.

**This is what we are about:** Family, Career and Community Leaders of America (FCCLA) is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work and societal issues through Family and Consumer Sciences Education or related courses as determined by the state department of education. FCCLA has more than 200,000 members and nearly 6,500 chapters from 50 state associations, Puerto Rico, and the Virgin Islands. The organization has involved more than 10 million people since its founding in 1945.
And this is what we do: FCCLA: The Ultimate Leadership Experience is unique among youth organizations because its programs are planned and run by members. It is the only career and technical in-school student organization with family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers and communities. **You can get involved by:** volunteering in our community service projects, becoming a guest speaker, donating to our program, and any other way you like! Contact our advisor: Ms. Ashley Hampton (606) 668-8202 for more information.
