MODELS FOR WRITERS
SHORT ESSAYS FOR COMPOSITION

NINTH EDITION

ALFRED ROSA
PAUL ESCHHOLZ
It's a simple, best-selling combination that's worked for more than 20 years — short, accessible essays and helpful, thorough writing instruction. Now in its ninth edition, Models for Writers continues to offer thought-provoking selections organized to demonstrate not only the rhetorical patterns that students will use in their own essays but also the elements and language that will make those essays effective. With a wide variety of fresh selections and new attention to sentence grammar, reading comprehension, and critical thinking, Models for Writers once again stakes its claim as America's best-selling short essay reader.
