				<p>The 21st Century After-School Program at Jones Middle School will provide specific interventions and tutoring to assist students in meeting learning goals. Certified teachers from Boone County Schools will help students to perform on grade level utilizing research-based, teacher-directed and computer supported programming. Formal assessment and monitoring protocols will be utilized to meet each student's needs. The program will operate from 3:45-4:45 on Monday and Wednesday afternoons. A free snack and transportation home will be provided.</p>

Kentucky Education Restoration Alliance Inc. (KERA Inc.) provides tutoring to students in grades K-12 that recoups ignored knowledge and accelerates learning with new-found comprehension. Our Learning Centers provide educational, recreational, and social activities that help students become well-rounded. Each child will be given a mathematics diagnostic test to individualize learning. We have qualified staff to assist with this academic intervention. It is our goal to teach youth to become life-long learners and future agents of knowledge.
